

## **PETER FLINT**

### **General Partner**

**Peter Flint** joined Polaris in 2003 and brings over 25 years of experience as an operating executive in the consumer media industry combined with building senior management teams for early stage venture-backed companies.

#### **Experience:**

Prior to joining Polaris, Peter was a managing director with Ramsey Beirne Associates, the leading provider of executive searches to high growth, leading edge information technology companies. Peter has enjoyed a successful 15-year sales and marketing career in the cable television industry, initially with Showtime Entertainment and MTV Networks. He also worked with the Boston Red Sox and Boston Bruins to develop and launch the New England Sports Network. In addition, as vice president of Sales and Marketing for QVC Network, Peter directed a team to secure long-term distribution agreements with the nation's largest cable companies, which was instrumental in the successful initial public offering. Peter was an early entrant in the interactive television marketplace as vice president of Video Jukebox Network, the company that built out the first nationally distributed, on-demand television network.

#### **Boards:**

Peter currently serves on the Boards of BlackArrow, Infinian, JIBE, Quantcast, Roundbox, Seamless Receipts and Turntable.fm.

Peter and his partners have led Polaris' @dogpatchlabs effort over the past two years, and he has been the lead partner for the NYC community.

#### **Education:**

Peter received his BA from Connecticut College.
